

# Season 24/25 - Newsletter 13

29 of us confirmed an interest in getting together early in the New Year. It's looking like London, I'm looking into venues where we will have screens available for Live Games, and also a Live round, with the tables live on one of the screens. Will be open to all, so if you know any others that might want to tag along they will be welcome. More to follow in the coming weeks,

## Most points Lost on a Game in the 12

Liverpool 0 Nottingham Forest 1 -490.46 pts (RD 6)

Bournemouth 2 Arsenal 0 -379.86 pts (RD 12)

Leeds 3 Portsmouth 3 -236.82 pts (RD 1)

It was a tricky round, the Arsenal score playing a big part, with loads of bankers taking a hit. The game is the second worst this season in costing us points.

Because it was so tricky, the table was quite stagnant this round. No changes in the top 5.

2 T'Wire did climb 4 places, and KaneAndDisable's consistency sees them come into the top 10, and climb 4 places also..

Just outside the this section of the table Red Dogs and Man Utd 4 The Win made up ground on those above

Valencia vs Las Palmas	2 3	2 1	4 1	3 1

And both featured in the top 3 this round.

I'd guess Red Dogs were there tonight to see Forest win 1-0, as they predicted, to take top spot this round.

That and the United 2-1 Guaranteed Banker gave them 56 points

Denied By The Woodwork, had enhanced the Spurs 4-1 win and also had Leicester to win 3-2. Arsenal cost them.

Sutton Who ??? (Chris Sutton) collected 4 correct scores.

From a low average with just a few games left, it pushed up to 15.32. The lowest though was MINUS 17.42 (I won't say who) and six players lost points this round.

A full round of League Games in The Picks saw Inter Row-Z top ahead of Tap It Out

A tight round but a few managed to pick up places but bettering those around them

You'll Never Guess Alone stay top.

Lard Lovers XI have moved up a few places to second

Moving into the frame this round though were The Sedgley Stalker, up 11 places, Borussia Munchingflapjack up 6, and Denied By The Woodwork, up 10 places.

A big midweek of European and EFL games taking place so a load more point on offer before Round 13.

Bankers don't count in The Grand Prix, so getting them right, or wrong, doesn't influence the outcome.

Sutton Who ??? topped Round 12 of the Grand Prix. Man Utd 4 The Win took second place on the podium, Denied By The Woodwork, third place

TumbleDwyer extended the lead a little, over KaneAndDisable

Round 13 and 14 follow quickly.

50 points on offer for two wins.

It's worth showing the top of the Perpetual Premier League.

City have opened up a 7 point lead on Arsenal, and 13 points on Liverpool.

To remind you, this assumes the games not played this season, will have the same scores as the games last season.

Perpetual Premier League	Pl - Pt - GD	W	D	L	PTS
Manchester City	0 / 3 / -1	29	7	2	94
Arsenal	0 / -2 / -4	27	6	5	87
Liverpool	0 / -1 / -4	24	9	5	81
Chelsea	2 / 6 / 12	20	9	9	69
Tottenham	0 / 5 / 14	21	6	11	69
Aston Villa	-2 / 0 / -4	20	8	10	68
Newcastle	1 / 1 / -1	18	7	13	61
Manchester United	-1 / -3 / -2	17	6	15	57
Brighton	3 / 6 / 6	14	12	12	54

City are 3 points better off, both Arsenal and Liverpool have lost points this season.

Chelsea and Spurs would be above Villa if scores remain the same for the rest of the season.

In the Fans League, Gillingham moved off the bottom with a win over Arsenal fans

Forest beat Leicester to move clear at the top of the table.

The full table is on the Dashboard

It's only a bit of fun really. Honestly....

I've shown here all the key data from games so far this season.

There's now been 143 games in 'The 12', yielding 407 goals, with 18 teams managing 4 or more in a game.

There's been 10 own goals, and 21 penalties scored.

I've tracked 1338 games for The Picks, and there's going to be another 80 Picks during midweek before we get to Round 13, with games in the European competitions and a full program of Championship, League 1, League 2 and National League.

Talking of Round 13.

Round 13 stays in Premier Plus 2, but we have Friday Night Football, and so the Deadline for RD13 is Friday at 6PM.

That's 18:00 UK time... Friday the 25th October.

I will chase you, possibly more than once for your Guesswork.... You know I will
