

Season 24/25 - Newsletter 22

Loads of goals in R21, actually it was all the goals that put pay to the majority of the bankers, taking the actual score passed those we predicted. There were only 2 correct banker scores, both Villa 3-1, both predicted by the top two this round.

Jurgena-Like-It.. Not A Slot topped the round, despite two incorrect bankers. They were helped by the late goal in the Walsall/County game, and took the round by 0.07, from

The Sedgley Stalker. No other scores other than the Villa 3-1 Banker, but combined with the 6 other correct results, they took 2nd.

Tumbledwyer are back. After being out of the news, two correct scores and 7 results put them third this round

The Average this round was 12.51, half of last round's average, seven finished in the red. Worst score this round was -21.11, I won't say who.

2 T'Wire stay top but The Grooneys have closed the gap on them..

The rest of the top of the table stayed pretty much the same, Wigstow Rovers swapped places with 58 Years Of Hurt

As mentioned, Tumbledwyer are back, and moved up 6 places, Lady Harney Of Yanchep also climbed 4 spots.

Tumbledwyer grabbed the 25 points on offer for first place this round, they're first for 7 rounds, and increased the stranglehold they have on this Cup.

Tumbledwyer had a good round here as well, and moved up 4 places to 6th.

Lard Lovers XI moved back to the top, switching places with Jurgena-Like-It.. Not A Slot.

Saved By The Belle have moved up to third

As well as all the rounds over the coming busy schedule, there will also be additional fixtures being played in The Picks.

I've mentioned here before having Cup form could be key

Top 'PICKS' This Round	Pts	(G - A - CS - S)
Kepa Arrizabalaga (0)	25.88	(-- 1 - 4)
Mads Hermansen (1)	21.27	(-- 0 - 7)
Jordan Pickford (13)	19.75	(-- 1 - 2)
Dean Henderson (3)	19.42	(-- 1 - 2)
Ben Woodburn (1)	18.87	(1-- 1 -)

Also in The Picks picking those players is key as big points can be won by individual players each round in this table.

This is the top 5 this round (I don't track every player), Kepa was top, but has no Picks, it was a round dominated by keepers.

There are still a couple of Transfer Windows between now and the end of the season, **AND**, (bold and underlined so important), I'm moving the January one from the 3rd Rd FA Cup Weekend, to the AGM weekend.

To The Perpetual League Table, and more movement this round.

Arsenal and City stayed on the same points, whereas Liverpool dropped a couple.

Spurs lost three points, whereas Villa picked up 2 (they only drew with Brentford last season)

We move quickly onto the next round

Round 22 has a TOMORROW EVENING Deadline, as we go into a Premier League +2 round games in 'The 12'.

That's TOMORROW NIGHT

I will chase you, possibly more than once for your Guesswork....
